

**Nicole Scott Joins BioWorks Product
Development Team as Lab Research Technician**

Victor, New York (March 1, 2008) – BioWorks, Inc. proudly announces that Nicole Scott has been promoted to Lab R&D Technician with the Product Development Group.

Ms. Scott graduated from the Rochester Institute of Technology in 2007 with a BS degree in Biotechnology and has worked at BioWorks as a Customer Service QA/QC Technician for the last six months. In her new role, Nicole will be responsible for testing and evaluating early-stage technologies for plant protection. Ms. Scott will also work with BioWorks' Manufacturing group to support product optimization projects.

BioWorks, Inc., a privately held company, provides environmentally responsible, safe and cost-effective solutions to the horticulture industry. BioWorks is a founding member of the BioPesticide Industry Alliance.
